

MOUNT ERIN COLLEGE ARTS ACADEMY SELECTION PROCESS

SELECTION CRITERIA:

Students will be offered a place in the Arts Academy, based on: -

- * *Evidence of high artistic (visual and/or performing) ability,*
- * *Demonstrate the capacity to perform at a high academic level to achieve their personal best,*
- * *A mature, engaged and highly motivated attitude towards achieving success,*
- * *A willingness to participate in college leadership—as a contributor and role-model for other students,*
- * *A willingness to participate in college events, such as school productions, Showcase evenings, performances and exhibitions and be an ambassador for the Arts Academy,*
- * *A clear and focused commitment to the Arts Academy— accepting the expectations of exemplary behaviour, attendance, consistently high artistic and personal achievement and solid academic results.*

Arts Academy Student Selection:

The selection process to identify students suited to our Arts Academy Program includes: -

- * An interview with the student, who presents a portfolio of schooling and artistic achievements, demonstrating their level of maturity, commitment and willingness to fully participate in the Arts Academy.
- * In conjunction with the outcome of the interview, the quality of work presented and performance in audition/workshop, when making the final decision to offer a place in the Arts Academy, we will take into consideration these aspects:
 - The information provided by the student's two references regarding the student's artistic and academic standards,
 - The information provided by the student's parents regarding their child's strengths and suitability,
 - The information provided by the student explaining their potential, abilities and ambitions.

ARTS ACADEMY SELECTION PROCEDURE:

1. Arts Academy applicants must complete the Mount Erin College Student Application form and include a current photograph.
2. Arts Academy applicants must submit two written references highlighting their suitability for the program (potential referees include classroom teacher, school principal, teacher of a specialist subject or external coach), the parent and student self-evaluation form.
3. A copy of the applicant's most recent school report should be submitted.
4. A copy of the applicant's Grade 5 NAPLAN results.
5. All applicants will be contacted for an interview at the college at a designated time. When attending the interview, students are encouraged to bring examples of their visual art work and/or footage of any performances they have been involved with.

Places in the Arts Academy are strictly limited and highly sought after. In order to be able to offer students access to workshops, performances and excursions, this program incurs an additional set of fees. In the event that the applicant is successful, a formal letter of offer will be sent. It is crucial that offers of acceptance are accepted as soon as possible.
