Bus Information Booklet

Please complete the **Bus Application** and **Bus Service Detail** forms and return to the Front Office.
Both Parents/Carers and students must sign the Bus Application form.

RESPECT
RESPONSIBILITY
RESILIENCE

Learning is our priority

Dear Parents & Carers,

Due to high demand for places on our school buses, Mount Erin College will do its best to allocate students a seat on the service that is closest to their main place of residence.

As demand has increased significantly, and with three of our services (Pearcedale 420, Tyabb 1229 and Hastings 410) being shared with Somerville Secondary College, each application will be assessed individually. Eligibility will be determined in line with the Department of Education's *School Bus Program Eligibility Guide* (see next page for details).

In addition to the shared services with Somerville Secondary College, MEC also subsidises one afternoon-only charter services to Devon Meadows via Pearcedale. Some PTV School Special services, listed in this booklet, are also available for students using a MYKI card.

When completing a bus application form, we ask families to apply based on genuine need. Please indicate whether travel is required in both the morning and afternoon, and on which weekdays.

Applications for transport to and from parents'/carers' workplaces will only be considered if seats are available. Where students live across two households, seat allocation will be based on the student's *primary residential address*.

While we will always strive to accommodate requests, eligibility must remain the priority. If we are unable to offer your child a place on their preferred bus immediately, they will be placed on a waitlist and allocated a seat as soon as one becomes available.

Thank you for your understanding and support.
